

GMV review readout

ACTUAL GMV

¥84.2M

¥4.2M above plan

¥5.6M above prior

Reconciliation

Gross ¥86.0M – Refunds ¥1.8M

= GMV ¥84.2M

Management interpretation

Performance is ahead of target. The required management action is to formalize the MTR-09 definition so trend comparisons remain controlled as refund timing varies.

Mix, risk, and asks

Mix snapshot

Channels: Online ¥46.3M | Stores ¥37.9M

Regions: East ¥26.4M | West ¥22.8M | Central ¥18.6M | North ¥16.4M

Categories: Home ¥24.8M | Electronics ¥22.1M | Apparel ¥19.3M

Beauty ¥10.7M | Other ¥7.3M

Control decision

Use completed-order grain, original order date for refunds, and a 23:59 JST cutoff. Include Online and Stores; exclude pre-completion cancellations, tax, and shipping.

Leadership asks

- Approve the MTR-09 definition by Jul 15.
