Control conclusion

Control evidence should contain only fields needed for an accountable review decision. For this record, the reasoned result is escalate for date review. Assigned period: 2026-07-14; source period: 2026 Q3. These remain separate facts, so the assigned context never replaces the source record period. Reference: AC-27/p03-full-006417.

Accountable next step

Document the period distinction. if an overbroad export field appears, it would make ownership unclear. the record-specific safeguard is to compare the governing field with the source record; that preserves an accountable decision without inventing a missing fact.. Remove repeated export fields after reviewer confirmation. The report requests no elevated access, customer data, or execution instruction.
