

Account Beta account plan

Prepared for Rowan Mercer | Renewal target 2026-09-30 | Planning term 2026-10-01 to 2027-09-30

Outcome statement

Secure a durable operating partnership by proving that Beta teams can complete the monthly operations review with shared Northstar Cloud data and accountable follow-through.

Owner	Near-term outcome	Evidence
Rowan Mercer	Renewal path aligned	Commercial recap accepted
Priya Noland	Adoption review complete	90% active workflow rate
Dana Quill	Executive decision prepared	Operations value narrative

Account strategy

Anchor the discussion in operational reliability, not discounting. Base planning amount is USD 186,000 (planning amount; not yet approved). Procurement engagement begins after Dana validates the value narrative.
