

# Account Beta executive brief

Executive readout | Renewal target 2026-09-30 | Confidential internal planning

## Executive decision

Request Dana Quill's sponsorship for a 12-month continuation, conditional on a documented adoption recovery plan and a procurement-ready scope.

| Signal               | Current planning read                         | Action                  |
|----------------------|-----------------------------------------------|-------------------------|
| Workflow adoption    | 78% active teams; target 90%                  | Priya leads enablement  |
| Executive confidence | Positive but needs proof                      | Dana reviews dashboard  |
| Commercial status    | USD 186,000 planning amount; not yet approved | Rowan frames option set |

## Leadership asks

Keep the team focused on three proof points: time saved in operations review, sustained active usage, and a clean procurement path.

| Ask                      | Owner        | Decision date |
|--------------------------|--------------|---------------|
| Confirm success measures | Dana Quill   | 2026-08-14    |
| Validate operating plan  | Priya Noland | 2026-08-21    |
| Choose commercial path   | Cameron Vale | 2026-09-11    |
