

Account Beta renewal scenarios

Planning view only | Target renewal 2026-09-30 | Base amount not yet approved

Scenario framing

All scenarios retain the same 12-month term. The base is a planning reference and must not be described as an approved commitment.

Scenario	Planning amount	Use case
Stabilize	USD 168,000	Maintain core operating workflows
Base	USD 186,000	Add success cadence and adoption guardrails
Accelerate	USD 204,000	Add data-connect expansion after proof

Decision gates

Move from discovery to selection only after adoption evidence and procurement requirements are documented.

Gate	Evidence	Owner
Value gate	90% workflow activity for 2 consecutive reviews	Priya
Sponsor gate	Dana validates outcome narrative	Rowan
Procurement gate	Cameron confirms process and dates	Rowan
