

NORTHSTAR CLOUD

Final RFP Submission

Account Alpha renewal and procurement response

Prepared for	Account Alpha
Prepared by	Rowan Mercer Priya Noland Elliot Park
Term	18 Jul 2026 - 17 Jul 2027
Approved annual amount	USD 248,000

Submission statement

Northstar Cloud submits this fictional final response for Account Alpha's renewal procurement. The package aligns commercial approval, scoped security commitments, and a 12-week implementation plan.

Commercial commitment

The approved annual amount is USD 248,000: USD 210,000 core platform, USD 24,000 implementation services, and USD 14,000 success services. The proposed term is 18 July 2026 through 17 July 2027.

Operating commitments

The response uses an internal 99.95% service objective for the scoped service and documents exclusions clearly. It does not claim real certifications or third-party attestations.

Governance

Rowan Mercer coordinates submission and changes; Priya Noland owns commercial confirmation; Elliot Park owns security and implementation commitments. Avery Sloan and Morgan Hale are Account Alpha contacts.

Capability	Commitment	Owner	Exception
Service continuity	Internal 99.95% service objective	Elliot Park	Scoped service only
Implementation	12-week governed plan	Elliot Park	Customer access / SME dependencies
Commercial	USD 248,000 annual approved amount	Priya Noland	Final agreement governs
Governance	Requirements tracker and written change control	Rowan Mercer	Open items visible to both parties
