

Comparison brief

A compact reading frame for the weekly research review

Comparison claim

Read the letter, desk note, and reader slip as three different evidence roles.

Method note

Track motif and document function; do not turn similarity into proof.

Discussion prompt

Name one counter-reading before drafting dissertation prose.

Reference	Reading	Working consequence
Letter	Provisional language	Check modality.
Desk note	Retrieval cue	Separate annotation.
Reader slip	Handling context	Avoid authorial claims.

All names, collections, dates, and analytical statements in this file are wholly synthetic.
