Annotation logic

The proof tracks whether each interpretive movement names a source route before drawing a conclusion. The focal route begins at Box 14, folio 184, and citation LA-042.

Margin note register

[A1] Separate material observation from inference. [A2] Preserve multilingual distinctions. [A3] State that the source corpus is synthetic.

Revision outcome

The chapter frames the linden as an editorial meeting device; no stable national symbolism is assumed.

Synthetic-source statement

This PDF is a wholly synthetic working document. It cites only the fictional Haldenmere Civic Repository and Linden Correspondence Series records created for the corpus.
