Citation	Location	Use in chapter
LA-017	Box 6, folio 112	1891 lecture notes
LA-028	Box 9, folio 072	1898 print proofs
LA-042	Box 14, folio 184	1907-03-16 Vale to Moreau letter
LA-057	Box 18, folio 203	1910 translation circular
LA-063	Box 21, folio 044	1912 memorial programme

Docket purpose

This docket pairs source location with the narrow chapter use. LA-042 supplies the central letter; the remaining records test the claim across lecture, print, translation, and memorial routes.

Material entry

Box 14, folio 184 is recorded as cream laid paper with an HCR/LCS accession stamp, synthetic brown handwriting, blue pencil, and a leaf watermark.

Inference boundary

Material description supports route analysis; it does not prove a pre-existing national emblem.

Synthetic-source statement

This PDF is a wholly synthetic working document. It cites only the fictional Haldenmere Civic Repository and Linden Correspondence Series records created for the corpus.
