Audit result

Every principal assertion is attached to an internal citation key and a matching box/folio reference. LA-042 matches Box 14/F184; the comparator keys follow the shared citation spine.

Footnote policy

Citations identify fictional source records. They do not imply access to a real archive, unpublished manuscript, or historical correspondence.

Open check

The working chapter should retain the 2026-07-13 snapshot date when moved into later dissertation material.

Synthetic-source statement

This PDF is a wholly synthetic working document. It cites only the fictional Haldenmere Civic Repository and Linden Correspondence Series records created for the corpus.
