

Annotated Proof: Folio 184

A compact proof sheet for chapter-level review

Editorial legend

Square brackets identify supplied context; italicized cues in the prose mark an unresolved interpretive pressure. The proof treats the invented letter as an object of analysis rather than a recovered source.

Passage note

The central image of shade joins local geography to a theory of collective address. Its force lies in a modest verb, “keeps,” which makes continuity an act of maintenance rather than an inherited condition.

Revision instruction

Retain the qualifying phrase “in this synthetic dossier” at the beginning of the section. It prevents the analysis from implying external archival verification.
