

Epistolary Motif Map

A comparative route across fictional Box 14 folios

Focal collection	Review date	Classification
Box 14 / Linden Correspondence Series	2026-07-13	wholly synthetic

MOTIF ROUTE

Folio 181: weather and street. Folio 183: multilingual greeting. Folio 184: shade and patient circle. Folio 186: closing request.

METHOD

Map recurrence before assigning significance. The route is a compact research aid, not a reconstruction of a real correspondence network.

REVIEW CUE

Mark every uncertain connection with UNC and preserve the relevant internal key beside it.

Internal working citation: LA-042. This document contains fictional analysis only.
