

Box 14: provenance and custody note

Synthetic collection control note; 2026-07-13

Status

This note describes invented collection-control data for the Linden Archive Project; it records no real repository, donor, or access restriction.

Custody sequence

Folio 184 is logged as LA-SRC-B14-F184, Box 14, folio 184, with a four-page synthetic letter dated 1907-03-16. The working citation is LA-042.

Handling

Cream laid paper, oval HCR/LCS stamp, blue editorial pencil, and leaf watermark are production details; they are not claims about a historical object.

Editorial citation: Haldenmere Civic Repository, Linden Correspondence Series, Synthetic collection control note; 2026-07-13. All people, repository descriptions, and text are wholly synthetic.
