

ForgeLine

MATERIAL CERTIFICATE

Certificate No.	FL-MC-260811-001	Certificate Date	2026-08-11
Product	Product Alpha	Lot No.	ALP-0811-26
Supplier	Asteron Materials	Reference	NCR-026

This is to certify that the material described below has been inspected, tested, and found to conform to the specified requirements.

MATERIAL DESCRIPTION

Material Type	Form	Color	Density
Engineered Polymer	Sheet	Slate Gray	1.15 g/cm ³

SPECIFICATIONS

Property	Test Method	Unit	Specification	Result
Thickness	FL-TM-01	mm	4.82 ± 0.18	4.80
Width	FL-TM-02	mm	305.0 ± 0.18	304.9
Length	FL-TM-03	mm	610.0 ± 0.18	609.9
Tensile Strength	FL-TM-04	MPa	≥ 50	56
Flexural Modulus	FL-TM-05	MPa	≥ 1800	1930
Impact Strength (Izod)	FL-TM-06	kJ/m ²	≥ 6	6.8
Heat Deflection Temp.	FL-TM-07	°C	≥ 90	96

NOTES

- Material is dry and free from visible defects.
- All tests performed in accordance with internal test methods.
- This certificate relates only to the material supplied in this lot.

TOLERANCE

Tolerance: +/- 0.18 mm

INSPECTION SUMMARY

Inspection Performed By Quality Assurance	Inspection Date 2026-08-11	Result PASS
