

Exception Calendar | Matter Alpha

Aster Legal • As of 2026-06-30 • Controlled planning schedule

Reference AL-PA-2606. This synthetic operational aid supports the narrowly scoped Matter Alpha exception workflow. The preserved population remains 42 sources; 38 are cleared and 4 are in targeted review. DLP triage logged 53 signals: 48 routine closures and 5 escalations.

Key dates

Date	Milestone	Owner role
2026-06-30	Baseline: 42 sources in scope	Matter coordinator
2026-07-03	Reconcile exception register with DLP review	DLP reviewer
2026-07-08	Targeted-review checkpoint	Counsel + reviewer
2026-07-12	Close or elevate exception	Matter lead

Operating guardrails

Each entry must state a limited purpose, a minimum-necessary handling rationale, an approver role, and a closure path. The date is a control point, not an automatic extension. No source content or personal data belongs in this calendar.
