Preservation reference	42 items / exception date 2026-07-12

Parties. Aster Legal, a fictional enterprise legal operations group, and Cinder Bay Processing Ltd., a fictional service provider (each a “Party” and together the “Parties”).

This addendum documents the approved transfer safeguards for the Beta vendor relationship and is subject to the privacy rider.

1. Transfer scope

The transfer is limited to the Beta services described in the underlying agreement.

2. Safeguard assessment

The parties will review relevant transfer safeguards before a material change in processing location.

3. Onward transfer

No onward transfer is permitted without a documented comparable protection and notice process.

4. Government request

A legally compelled request will be assessed and, where permitted, notified to Aster Legal.

5. Suspension

Aster Legal may suspend affected transfers where the agreed safeguard cannot be maintained.

Execution and exhibits

The Parties acknowledge that this document is a complete synthetic training artifact. No real client matter, person, account, credential, or privileged record is included.

Exhibit A - Operational controls

Controls include role-based access, quarterly access review, encrypted transmission, documented deletion, and evidence retention sufficient to support the compliance review. The preservation population is fixed at 42 synthetic items; the stated exception review date is 2026-07-12.
