

Privacy Controls Acknowledgement

Document status: EXECUTED COUNTERPART - SYNTHETIC

Effective date: 2026-06-30 | Matter Alpha preservation: 42 | Exception review: 2026-07-12

The Parties acknowledge receipt of the executed privacy controls schedule and agree to maintain the documented review cadence for the synthetic Matter Alpha service arrangement.

Confirmation

The undersigned confirms the described action was completed for the synthetic service record. No actual personal data, client record, or production system was involved.

Control note

The counterpart is retained as an image-based scan for the Aster Legal Matter Alpha training corpus. The stated vendor relationship is Cinder Bay Processing Ltd.
