

PRESERVATION SUSPENSION NOTICE

Matter: Alpha AL-PA-2606
Notice type: Suspension template - not effective
Prepared for: Aster Legal legal operations

Status

This synthetic document illustrates the required form of a written suspension notice. It does not release any custodian and does not alter the active Matter Alpha preservation obligation.

Use condition

Aster Legal may issue a final suspension only after documented authorization, source disposition review, and notification to the 42-person hold population.

Interim instruction

Until an individualized written suspension is issued, custodians must continue preserving potentially relevant materials and report new sources or concerns.
