

Key Decisions Register

Aster Legal | Matter Alpha / AL-PA-2606 | Synthetic training work product

42 subjects; 38 acknowledgements; 4 pending; 53 sources; 48 ready; 5 exceptions; exception decision deadline 2026-07-12.

Control item	Current state	Owner
Hold scope approved for 42 subjects	Open / tracked	Privacy Legal Lead
Four acknowledgement follow-ups assigned	Open / tracked	Privacy Legal Lead
Five source exceptions require written disposition	Open / tracked	Privacy Legal Lead
No collection expansion without documented approval	Open / tracked	Privacy Legal Lead

Control narrative

The register supports a synthetic preservation workflow. Each item must have an accountable owner, dated decision, and closure evidence. Items that cannot be closed by 2026-07-12 are escalated to the Matter Alpha decision owner.

Evidence standard

Retain a status note, source-map reference, and decision rationale. This PDF contains no real data and does not reproduce any legal advice or privileged material.
