

Acknowledgement summary

Processor review acknowledgement

Matter	AL-PB-2604
Processor	Cinder Bay Processing Ltd.
Prepared	24 June 2026
Classification	Synthetic internal review record

Purpose. Records receipt of Cinder Bay Processing Ltd. review materials and the shared handling expectations.

Receipt record

Cinder Bay Processing Ltd. acknowledged the review scope on 18 Jun 2026 and designated a synthetic review coordinator. No production system access or personal data was requested or received.

The acknowledgement separates this matter from the broader portfolio. Matter Alpha remains a portfolio context only: its preservation population is 42 and its exception deadline is 12 Jul 2026.

Commitments

The processor will provide status updates every two weeks, flag blockers promptly, and preserve the review record within the synthetic matter workspace.

Findings snapshot

ID	Severity	Control topic	Target
B-01	High	Purpose limitation	15 Aug 2026
B-02	High	Access control	15 Aug 2026
B-03	High	Deletion workflow	15 Aug 2026
B-04	Medium	Data inventory	30 Sep 2026
B-05	Medium	Transfer record	30 Sep 2026
B-06	Medium	Incident notice	30 Sep 2026
B-07	Medium	Retention schedule	30 Sep 2026
B-08	Medium	Training evidence	30 Sep 2026
B-09	Medium	Vendor monitoring	30 Sep 2026
B-10	Low	Terminology	31 Oct 2026
B-11	Low	Record labeling	31 Oct 2026
B-12	Low	Contact routing	31 Oct 2026
