

Exception request

Time-limited review exception

Matter	AL-PB-2604
Processor	Cinder Bay Processing Ltd.
Prepared	24 June 2026
Classification	Synthetic internal review record

Purpose. Documents a proposed, limited exception for a non-high evidence item.

Requested exception

Cinder Bay Processing Ltd. requests an extension for B-08 training evidence until 15 Oct 2026 because its synthetic completion summary is being consolidated. The request does not apply to B-01, B-02, or B-03.

Corporate Privacy Legal may approve only if an interim owner, weekly milestone, and no-impact statement are provided.

Decision criteria

No high finding can be extended beyond 15 Aug 2026 through this request. The exception ends automatically if the milestone report is missed.
