

Vendor response record

Cinder Bay Processing Ltd. response baseline

Matter	AL-PB-2604
Processor	Cinder Bay Processing Ltd.
Prepared	24 June 2026
Classification	Synthetic internal review record

Purpose. Captures the fictional processor response and commitments against the review findings.

Processor statement

Cinder Bay Processing Ltd. acknowledges the 12 findings and accepts the 15 Aug 2026 target for B-01 through B-03. A synthetic remediation owner has been assigned for each high item.

The processor will submit medium-item updates by 30 Sep 2026 and low-item closure notes by 31 Oct 2026.

Open questions

The processor asks for clarification on the evidence granularity for B-04 and B-09. Corporate Privacy Legal will respond through the matter correspondence route.

Findings snapshot

ID	Severity	Control topic	Target
B-01	High	Purpose limitation	15 Aug 2026
