

Matter Beta Intake Summary

Matter reference AL-PB-2604 | Prepared for Privacy Legal | 2026-08-08

- Vendor: Cinder Bay Processing Ltd. (fictional).
- Scope: review of a synthetic DLP alert and related vendor-control questions.
- Finding count: 12 total - 3 high, 6 medium, 3 low.
- High findings require accountable-owner response by 2026-08-15.
- Collection posture: preserve operational metadata and exception records.
- Exclude content not needed for review.
- Portfolio context: Aster Legal / Matter Alpha has a separate preservation anchor
- of 42 and 2026-07-12.
- Recommendation: obtain vendor responses, confirm exception ownership, and
- record closure rationale.

Synthetic internal working record. No personal data, credentials, or privileged materials.
