Records schedule and deletion controls | review 2026-06-30

INTERNAL

Hold overrides schedule

RETENTION DECISION

Set a documented purpose, record category, owner, and disposal trigger before data is placed in an approved repository.

MINIMUM PERIOD

Keep only for the approved period, subject to legal, contractual, regulatory, or operational requirements.

DISPOSITION

Use approved deletion workflow and retain a disposal log. A legal hold suspends routine disposition.

MATTER ALPHA NOTE

42 preservation targets remain excluded from automated deletion pending written release.
