LEGAL HOLD POLICY

Preservation workflow | Matter Alpha control note

INTERNAL

42 targets verified

TRIGGER

Open a hold when counsel reasonably identifies a dispute, inquiry, or investigation requiring preservation.

CUSTODIAN ACTIONS

Preserve relevant records, acknowledge notice, and do not self-remediate potentially responsive content.

ADMINISTRATION

Counsel maintains the hold register, monitors acknowledgements, and issues written release instructions.

MATTER ALPHA NOTE

Population: 42. Exception review deadline: 2026-07-12. Escalate any access or deletion concern immediately.

INTERNAL

Counsel review complete

OPERATING EXPECTATION

Document the decision, responsible owner, system of record, and any approved exception.

ESCALATION

Raise ambiguous scope, cross-border transfer, incident, or preservation questions to the Privacy Office.

REVIEW CADENCE

Review annually and when a material processing, vendor, or regulatory change affects the control.

ANCHOR
