

ASTER LEGAL

PRIVACY POLICY

QUICK REFERENCE

RECORDS MANAGEMENT POLICY

Classification, ownership, and defensible disposition

No routine cleanup

CLASSIFY

Assign a business record category at creation or intake. Keep source, approval, and version context together.

OWN

Each record category has a business owner responsible for accuracy, access review, and retention alignment.

PROTECT

Store records in approved systems. Do not move regulated or held records into unmanaged personal locations.

MATTER ALPHA NOTE

Matter files remain under preservation. Ordinary cleanup is paused for the identified population of 42.
