

AP Cut-off Testing Report

Evidence ID CW-EV-2603-03 | CTRL-AP-04 | Owner: Accounts Payable Operations | 2026-04-02

Objective

Assess whether Q1 vendor obligations were recorded in the appropriate reporting period.

Scope and method

A synthetic sample of 25 disbursement and receipt records around 2026-03-31 was traced to receiving and posting dates. The sample included 14 pre-close and 11 post-close items.

Result

All 25 selected items were recorded in the expected period. No control exception was identified. Reviewer outcome: Accepted.

Sample	Population segment	Expected period	Recorded period	Status	Reviewer
25 items	Mar 27-Apr 04	FY2026 Q1 or Q2	Agreed	Pass	Accepted

Synthetic internal audit evidence. No external records or personal data.
