

March Cash Variance Bridge

Evidence ID CW-EV-2603-05 | CTRL-CASH-01 | Owner: Financial Control | 2026-04-03

Conclusion

Bank cash is JPY 486,200,000 and ledger cash is JPY 498,600,000. The ledger therefore exceeds bank cash by JPY 12,400,000, an unfavorable March variance requiring documented reconciliation.

Traceable bridge

The full JPY 12,400,000 is explained by receipt timing JPY 7,200,000, vendor timing JPY 3,100,000, bank fees JPY 1,300,000, and FX remeasurement JPY 800,000. No residual remains.

Review
