

# FY2026 Q1 Financial Flux Analysis

Cedar Works | FY2026 Q1 | Currency: JPY | January close completed 2026-02-05

## Q1 Performance

Revenue exceeded budget by JPY 42,000,000 and EBITDA exceeded budget by JPY 12,000,000. Margin remained within the approved operating plan.

| Metric       | Actual        | Budget        |
|--------------|---------------|---------------|
| Revenue      | 1,842,000,000 | 1,800,000,000 |
| Gross profit | 711,000,000   | 696,000,000   |
| EBITDA       | 222,000,000   | 210,000,000   |

## March Cash Context

The JPY 12,400,000 unfavorable bank-to-ledger variance is a timing and remeasurement bridge, not a January close error.

| Driver         | JPY       | Classification        |
|----------------|-----------|-----------------------|
| Receipt timing | 7,200,000 | Timing                |
| Vendor timing  | 3,100,000 | Timing                |
| Bank fees      | 1,300,000 | Posted after bank cut |
| FX             | 800,000   | Remeasurement         |
