

Offer Review - One Page

Orchid People | Requisition Alpha | Working review dated 2026-08-18

Decision context

Three openings remain approved for Requisition Alpha. The working compensation band is JPY 7.2-8.4M. This page is a process checkpoint, not an offer letter and not a record of candidate compensation history.

Check	Working position
Opening count	3 approved openings
Candidate reference	Candidate IDs only: CAND-ALPHA-017, CAND-ALPHA-024, CAND-ALPHA-031
Band guardrail	JPY 7.2-8.4M; confirm approved role level before any recommendation
Capacity input	People Analytics Partner confirms interviewer capacity and funnel pacing
Decision owner	Hiring manager records final rationale after calibrated panel debrief

Review before advancing

Confirm structured evidence is complete, use only candidate IDs in the working log, and keep the discussion focused on the requisition scope. Do not include names, contact details, resumes, salary history, signatures, or credentials in this working artifact.

Next checkpoint: panel calibration and capacity review on 2026-08-20. Working status: pending review.
