

Interview plan - Requisition Alpha

Orchid People | Requisition Alpha | People Analytics Partner | Tokyo hybrid | 18 Aug 2026 | Approved role range JPY 7.2-8.4M

Purpose

Select three People Analytics Partner hires for Tokyo hybrid openings using comparable, job-relevant evidence only.

Loop design

- Structured screen: 35 minutes; confirm problem framing and communication.
- Work sample: 45 minutes; assess analytical partnership and responsible data choices.
- Panel interview: 50 minutes; apply the shared four-competency rubric.
- Debrief: 30 minutes; compare evidence before discussing outcomes.

Required controls

- Use candidate IDs A01-A05 only.
- Offer an accommodation check before each stage.
- Use the same core questions and scoring anchors.
- Escalate material score variance for facilitated calibration.

Timeline

18 Aug: panels and scorecards. 19 Aug: calibration and completeness check. 20 Aug: hiring-manager approval for three openings.
