

Beta shortlist review

Decision support for 2 openings | Synthetic internal use | 2026-08-18 review

Recommendation

Advance B01, B02, and B03 to structured screens. Keep B04 and B05 in calibrated hold status while focused evidence gaps are resolved. This is a fictional planning recommendation, not an employment decision.

Comparison matrix

Candidate	Ops cadence	Data fluency	Candidate experience	Decision
B01	Strong	Strong	Strong	Panel recommended
B02	Strong	Strong	Developing	Screen recommended
B03	Developing	Developing	Strong	Screen recommended
B04	Developing	Developing	Developing	Hold - evidence gap
B05	Developing	Developing	Developing	Hold - calibration

Calibrated actions

Action	Owner role	Timing
Run structured screens for B01-B03	Recruiting lead	Next review cycle
Request synthetic work sample from B04	Coordinator	Before re-review
Review B05 sourcing exercise	Sourcing partner	Before calibration

Guardrail: candidate IDs are fictional and used solely for synthetic corpus content.
