

Decision rationale

Selection record • Requisition Beta • 2026-08-18

Outcome

Recommend B01 and B02 for the two Talent Operations Specialist openings. B03 is the alternate. B04 and B05 are not selected for this requisition.

Evidence basis

B01	Most complete evidence for workflow design and accountable escalation; weighted score 4.55.
B02	Strong operating cadence, stakeholder coordination, and candidate-care controls; weighted score 4.00.
B03	Credible planning example but less specific ownership evidence; weighted score 3.55.
B04	Partial evidence across competencies; weighted score 3.00.
B05	Limited workflow-design evidence; weighted score 2.45.

Fairness review

All candidates received the shared prompts and timeboxes. Panel scores were recorded before calibration. The decision does not use personal, protected, contact, resume, prior-employer, or salary-history data.

Controls and next actions

People Ops completes a recorded fairness check before communication. Recruiting retains the interview plan, question bank, scorecards, debrief, matrix, and this rationale under the established retention process.
