

# CIVIC LEDGER | SYNTHETIC WORKING REVIEW

Internal editorial review for a fully fictional investigation. Not a public record or a real source document.

| Review field           | Verified synthetic detail                |
|------------------------|------------------------------------------|
| Story                  | Story Beta 2026                          |
| Review date            | 2026-08-22                               |
| Verification date      | 2026-08-19                               |
| FOIA reference         | FOIA batch 17                            |
| Ledger record          | CL-B09-2026-11                           |
| Quantity               | 96 units                                 |
| Fictional value        | 684,000 fictional Civic Credits          |
| Permitted source roles | Source Alpha-01; Source Beta-01          |
| Status                 | Crosswalk reviewed; content is synthetic |

**Editorial note.** The review compares the dated crosswalk, the corroboration map, and the transfer capture. Source Alpha-01 and Source Beta-01 are fictional controls used only to confirm internal consistency. No real person, contact detail, location, or source material is represented here.

Synthetic corpus artifact. Civic Ledger / Story Alpha-Beta 2026 / FOIA batch 17.
