

FOIA Redaction Reference

Synthetic desk guide for reviewing public-record packets.

Review order

Confirm the packet label, date, and batch before annotation.
Mark withheld passages as a review topic, not a conclusion.

Handling

Keep analysis distinct from original-record descriptions.
Use short factual notes for redaction patterns and page sequence.

Desk anchors

Apply to Story Alpha 2026 and Story Beta 2026 working guides.
Use 2026-08-22, FOIA batch 17, and verified 2026-08-19.
