Review position

The current reporting frame supports a focused process question. It does not support an allegation of wrongdoing.

Record item	Editorial status
Route Prism renewal / CL-B09-2026-11	Verified in the synthetic record frame
96 service units / 684,000 fictional Civic Credits	Use in the nut graf with attribution to records
31-page FOIA batch received 2026-08-15	Describe as the available batch, not a complete file
2026-07-02 amendment / 2026-07-05 approval log	Unresolved process gap; retain qualifying language
