

Story Beta Transcript Review Copy

Civic Ledger | 2026-08-22 | verification date 2026-08-19

Review conclusion: The amendment dated 2026-07-02 and the approval log dated 2026-07-05 show a process gap that warrants explanation. They are not proof of wrongdoing.

Transcript review notes

Source Beta-01 through Source Beta-07 independently maintain the same factual anchor set. Their statements distinguish a record-sequence question from a finding of misconduct.

Publication guardrail

Describe the chronology accurately. Do not convert the amendment and approval-log mismatch into an allegation or conclusion that the records do not support.

Audio excerpt verification

Two short synthetic audio excerpts reproduce marked text from the Source Beta-01 and Source Beta-02 transcript records.
