

CONCRETE MIX DESIGN DATA

Submittal BETA-033000-02 | Review copy

Specification	03 30 00 Cast-in-Place Concrete
Design strength	34 MPa at 28 days
Exposure class	Moderate exterior
Status	Revise and Resubmit
Received	2026-07-24

Review note

The mix design is generally coordinated; resubmit with the proposed aggregate gradation and curing statement cross-referenced to the Project Beta structural notes.
