

Figure 1: Schematic diagram of the experimental setup. The diagram shows a top-down view of a rectangular arena with a central circular platform. The arena is divided into four quadrants by a vertical and a horizontal line. The central platform is labeled 'Central Platform'. The four quadrants are labeled 'Quadrant 1', 'Quadrant 2', 'Quadrant 3', and 'Quadrant 4'. The diagram also shows the positions of the four cameras used for recording the experiment.

Figure 2: Schematic diagram of the experimental setup. The diagram shows a top-down view of a rectangular arena with a central circular platform. The arena is divided into four quadrants by a vertical and a horizontal line. The central platform is labeled 'Central Platform'. The four quadrants are labeled 'Quadrant 1', 'Quadrant 2', 'Quadrant 3', and 'Quadrant 4'. The diagram also shows the positions of the four cameras used for recording the experiment.

Figure 3: Schematic diagram of the experimental setup. The diagram shows a top-down view of a rectangular arena with a central circular platform. The arena is divided into four quadrants by a vertical and a horizontal line. The central platform is labeled 'Central Platform'. The four quadrants are labeled 'Quadrant 1', 'Quadrant 2', 'Quadrant 3', and 'Quadrant 4'. The diagram also shows the positions of the four cameras used for recording the experiment.

Figure 4: Schematic diagram of the experimental setup. The diagram shows a top-down view of a rectangular arena with a central circular platform. The arena is divided into four quadrants by a vertical and a horizontal line. The central platform is labeled 'Central Platform'. The four quadrants are labeled 'Quadrant 1', 'Quadrant 2', 'Quadrant 3', and 'Quadrant 4'. The diagram also shows the positions of the four cameras used for recording the experiment.

Figure 5: Schematic diagram of the experimental setup. The diagram shows a top-down view of a rectangular arena with a central circular platform. The arena is divided into four quadrants by a vertical and a horizontal line. The central platform is labeled 'Central Platform'. The four quadrants are labeled 'Quadrant 1', 'Quadrant 2', 'Quadrant 3', and 'Quadrant 4'. The diagram also shows the positions of the four cameras used for recording the experiment.

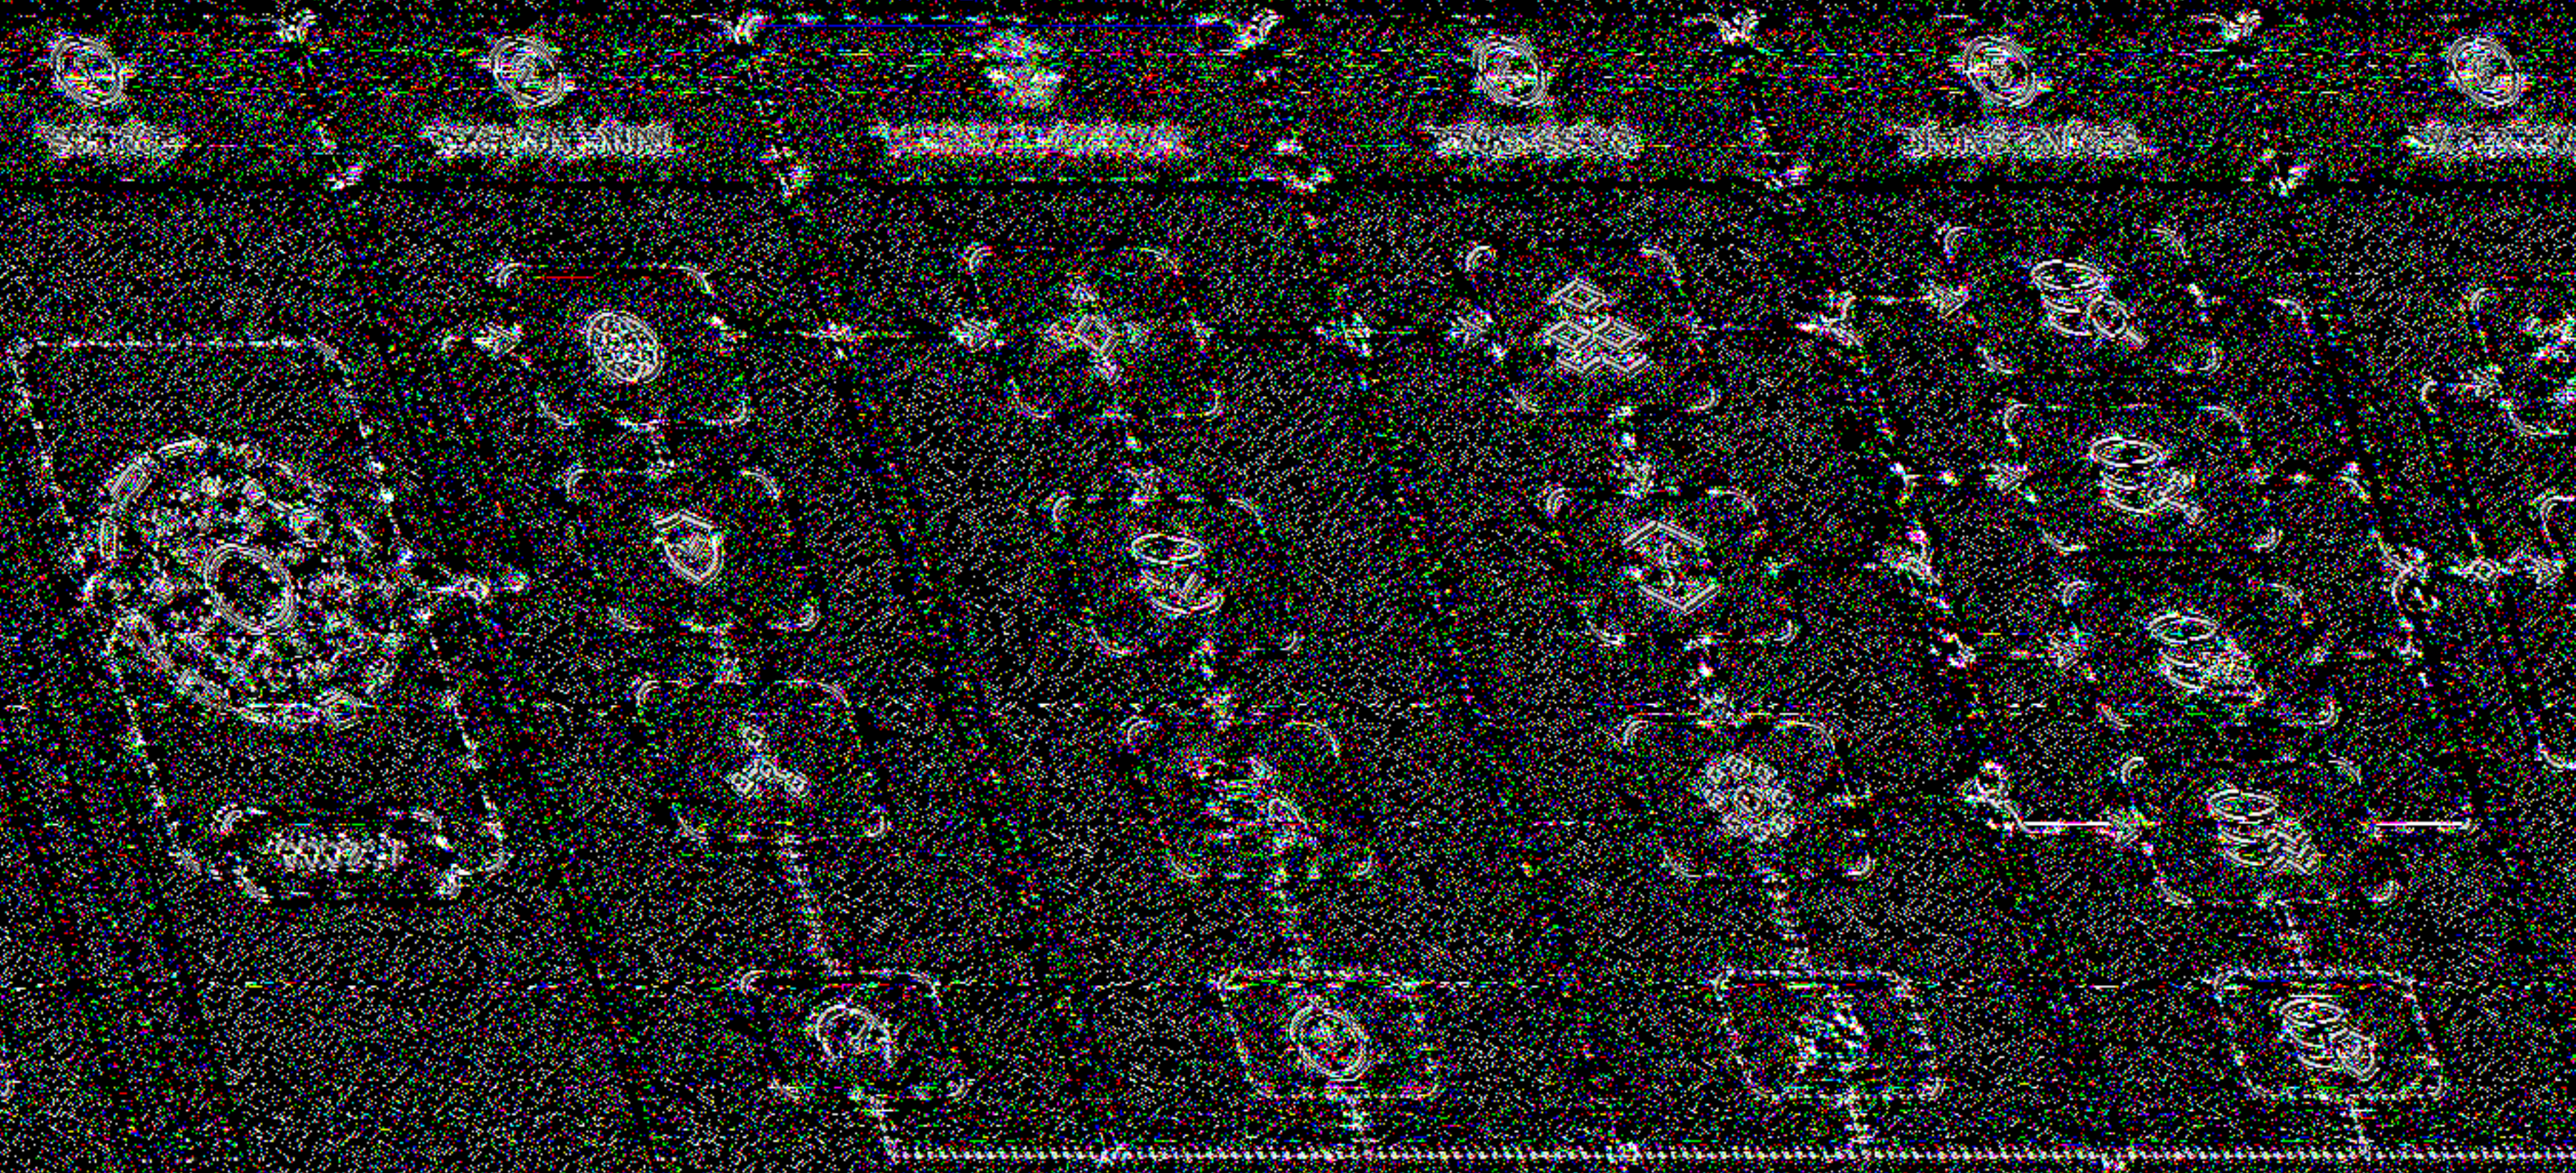

Figure 6: Schematic diagram of the experimental setup. The diagram shows a top-down view of a rectangular arena with a central circular platform. The arena is divided into four quadrants by a vertical and a horizontal line. The central platform is labeled 'Central Platform'. The four quadrants are labeled 'Quadrant 1', 'Quadrant 2', 'Quadrant 3', and 'Quadrant 4'. The diagram also shows the positions of the four cameras used for recording the experiment.

Figure 7: Schematic diagram of the experimental setup. The diagram shows a top-down view of a rectangular arena with a central circular platform. The arena is divided into four quadrants by a vertical and a horizontal line. The central platform is labeled 'Central Platform'. The four quadrants are labeled 'Quadrant 1', 'Quadrant 2', 'Quadrant 3', and 'Quadrant 4'. The diagram also shows the positions of the four cameras used for recording the experiment.

Figure 8: Schematic diagram of the experimental setup. The diagram shows a top-down view of a rectangular arena with a central circular platform. The arena is divided into four quadrants by a vertical and a horizontal line. The central platform is labeled 'Central Platform'. The four quadrants are labeled 'Quadrant 1', 'Quadrant 2', 'Quadrant 3', and 'Quadrant 4'. The diagram also shows the positions of the four cameras used for recording the experiment.
